We have changed the annual weekend this year to July 25, through July 28 as there is much to celebrate!! It is the 34th year of Riverfest, the 150th Anniversary of our small town, the return of the carnival and several new events for 2019.

- Fireman's Parade - Friday
- Anything That Floats Race
- Fireworks - Saturday
- Parade Float Contest
- Beautiful Baby Reunion
- 5K Run

We hope our local Churches, Clubs, Associations and any other Groups will be willing to help us have a successful event by having a food booth or craft booth for the weekend.

It takes many helping hands and financial support for this to be a successful event. Along with our various fundraising initiatives, we look to individuals and business partners for financial support of this fun family weekend event. All donations are greatly appreciated and make the many events possible.

It takes a village to create a successful event. We invite you to become involved with the Riverfest Committee. Our meetings are held the 1<sup>st</sup> Wednesday of the month at All Stars starting at 6:30 pm. We look forward to hearing from you and you joining us.
